Teacher's Scholarship for an international Conference

Practising chemistry teachers are invited to apply for a scholarship to attend an international Chemistry Conference or Science Conference – with a significant chemistry emphasis.

CEA will provide \$5,000 toward the costs involved in attending the conference. The successful applicant is expected to report on the conference to CEA and to present a session at the next STAVCON or Chemistry Conference. This report/session would focus on new directions and updates in chemistry as covered at the conference.

Send applications to Mick Moylan, CEA Project Officer
mmoylan@unimelb.edu.au

1. Details of the conference you wish to attend, with dates and expected costs for travel, registration and accommodation
2. An outline of the conference session that you anticipate will be the most beneficial for teaching at your school (max ½ page)
3. a brief CV (maximum 2 pages)
4. An example of how you have changed your teaching practice as a result of a conference or professional development (max ½ page)

Applications close 25 May 2017.

Selection interviews will be held on the evening of 1/6/17. A list of possible conferences to attend is at <http://www.divched.org/meetings/futuremeetings>
