

Exam Revision Lectures Unit 3-4 Chemistry

The CEA revision lectures are an excellent way for students to prepare for the Unit 3 and 4 exam in chemistry. The lectures are a comprehensive guide to success in the exam and will guide students through the concepts and strategy of the exam paper.

Guides are written by Lanna Derry, who is Head of Science at Tintern Grammar, and co-author of Heinemann Chemistry One and Chemistry Two and the main text for chemistry in the International Baccalaureate. Lanna is a very experienced VCE Chemistry teacher and exam marker.

Lanna will present the sessions at Traralgon and Wyndham Vale and Dr Keith White (from University of Melbourne and Latrobe University) will present the session in Wodonga

Tuesday 26 September 2017, Victory Lutheran College Wodonga
Friday 29 September, Manor Lakes College, Wyndham Vale*
Monday 2 October Lavalla College, Traralgon

The Wyndham Vale lecture will also be live streamed to students in remote-area government schools through the Polycom system.

The full day of lectures will run 10am – 4pm at each venue.

Cost: \$15 per student
