The Chemistry Education Association, in conjunction with the School of Chemistry, University of Melbourne and the Royal Australian Chemical Institute, RACI, presents an in-service day of interest to Chemistry teachers. The lectures will highlight some exciting recent developments and applications of Chemistry. The workshops are hands-on activities of possible use in the classroom. It is a great day to network with teaching colleagues and to enhance your chemistry knowledge.

More details:  www.cea.asn.au
Cost: $120
(no GST; includes notes, morning tea and lunch)

Morning session

The first lecture is in collaboration with the Royal Australian Chemical Institute, RACI.

Associate Professor Peter Tregloan
Making Chemistry Visible
School of Chemistry
University of Melbourne

Associate Professor Charles Young
Why I Love Metal Chemistry: The Roles of Metals in Biology
School of Chemistry
University of Melbourne

Dr Damian Slizys
Intellectual Property and Chemistry
Patent Attorney
FB Rice Patent and Trademark Attorneys
Afternoon session
Please circle your first choice of the workshops and send with registration fee.
Also, email me this choice asap in case paperwork is slow.
One choice of five workshops for the 2 hour afternoon session:
1. Interpreting NMR (maximum 30)
2. Back to student days! Electrochemistry - practical activity (bring lab coats, safety glasses, closed in shoes) (maximum 16)
3. Back to student days! Preparation of paracetamol - practical activity (bring lab coats, safety glasses, closed in shoes) (maximum 16)
4. Stereochemistry in Organic Chemistry (maximum 30)
5. GTAC - Exploring alcohol dehydrogenase- practical activity (bring lab coats, safety glasses, closed in shoes) (maximum 20)

Numbers are strictly limited in each workshop.

TAX INVOICE
ABN: 53 889 808 985

Please note that there may be minor changes to the program.

Upon receipt of the registration form and payment, confirmation of registration will be sent by email to applicants with an attached receipt.

This is an official tax invoice
