40th Birthday Celebration and Annual General Meeting 2017

On 1 June 1977, a group of very generous and committed secondary and tertiary teachers established the Chemistry Education Association as a way of advancing chemistry in Victoria.

We're holding this year's AGM on the 40th anniversary of the CEA's founding to celebrate 40 years of achievements!

Thursday 1 June 2017, 6.30 pm to 8.30 pm

University House
