

## Student friendly MSDS

Here is the information re the MSDS website with student friendly MSDS's. Apparently government schools have free access, independent schools may need to pay a small fee to obtain access

**Chem. Watch. Link**      **Web address:** <http://full.chemwatch.net/chemgold/>

**User ID:**      **Password:**

### **NOTE:**

**If the site is not loading it is because YOU MUST ALLOW POP UPS FROM THIS SITE....  
Click on the bar above where the site is not loading! and tick ALWAYS pops ups from this site !**

**Summary MSDS** and **Mini MSDS** are different

- The mini MSDS are better for the class room as they list the first aid but you may decide the summary is better for your use if you need more chemical details
- Mini MSDS sheets on all HAZ and Dangerous good chemicals used in a prac. (are now being included with the risk assessment)

### **For use:**

- click on the graduation cap ( advanced mode)
- search for the required chemical
- click on the required chemical it will come up with a **summary MSDS**

### **To get a mini MSDS:**

- click on mini MSDS on Left hand side
- print by clicking on the print button at the top
