## Scholarship to attend an international Conference 2025-26

Practising chemistry teachers are invited to apply for a scholarship to attend an international Chemistry Conference or Science Conference – with a significant chemistry emphasis in 2025 or 2026.

CEA will provide \$5,000 toward the costs involved in attending the conference. The successful applicant is expected to report on the conference to CEA and to present a session at the next STAVCON or Chemistry Conference. This report/session would focus on new directions and updates in chemistry as covered at the conference.

Send applications to Mick Moylan, CEA Project Officer [mmoylan@unimelb.edu.au](mailto:mmoylan@unimelb.edu.au)

1. Details of the conference you wish to attend, with dates and a budget for expected costs for travel, registration and accommodation
2. A brief CV (maximum 2 pages)
3. How would you use your learning from the conference to improve an aspect of your students' learning in chemistry?
4. An example of how you have changed your teaching practice as a result of a conference or professional development (max ½ page)

### Applications will close 1 May 2025

#### Possible conferences to attend include:

- [ChemEd2025](#), Golden, Colorado USA, 20-24 July 2025
- [IUPAC World Chemistry Congress](#), Kuala Lumpur, Malaysia 12 – 16 July 2025
- [Pacifichem 2025](#), Honolulu USA, 15 – 20 December 2025
- [ICCE2026 with ECRICE2026](#), Erzurum, Turkey, 13 - 17 July 2026
- [2026 BCCE](#), Madison, Wisconsin USA, 26 – 30 July 2026.
